Holding device

See online
technical sheet

/ Use

Holding device with locking cleat.

/ Areas of activity

 Electrical distribution

/ Technical specifications

- Product type : Tirant
- Weight (kg) : 1,6
- Pulling undwinding devices : Pulling devices
- Operating voltage (V) : HTA
- Length (mm) : 350
- Width (mm) : 70
- Height (mm) : 245
- WLL (daN) : 2200
- Ø of rod(s) : 15
- Rod spacing : 290 mm
