Protective ring retainer

/ Use

Attached to a suspension tie-rod, the protective ring retainer prevents the protective rings from tipping over when working on the potential side of a suspended armament. Protective ring retainers are generally used in pairs.

/ Technical specifications

- Operating voltage (V) : HTB (> 50 000 V)
- Length (mm) : 900
- Width (mm) : 130
- Height (mm) : 50
- Weight (kg) : 1
