Type D Crucifix and Strap

See online technical sheet

/ Standards

- ENA-41-21

/ Use

Aluminium busbar with stainless steel M12 fasteners. Heavy-duty ratchet strap for securing to pole or structure. Similar to the Type A terminal plate except with a ratchet strap for secure pole mounting.

/ Advantages

- Solid construction to give extended service
- Proven service record used by the electricity supply industry for more than 40 years
- Lightweight
- Used worldwide
- No plated components high-quality stainless steel fasteners

/ Areas of activity

 Electrical distribution

/ Technical specifications

- Product specificity : Temporary
- Product kind : Earthing equipment/kits
- Operating voltage (V) : HTA
- Field of use (environment) : Distribution
- Composition : Aluminium
- Cable material : Aluminium
- Weight (kg) : 1.74kg
- Max Cable Applied : Up to 4 cables

/ Products contained in the kit
