

## / SFE148 Padlock stations

See online  
technical sheet

### / Use

Allow to store padlocks and accessories

### / Technical specifications

One-piece moulded construction for increased ruggedness.

Polycarbonate material provides twice the heat resistance and quadruple the impact resistance of normal stations.

Padlock station can be locked with a combination padlock.

Wall mounted.

Delivered empty.

### Advantages

Transparent cover protects contents.  
Innovative hinges hold cover open.
