

## / PRPC400

Short-circuiting and earthing device for substations with plug-in type bushings

See online  
technical sheet

## / Standards

- CEI 61230

## / Use

Complete short-circuiting and earthing device for 250 Ampere socket DMTPC250 and 400 Ampere socket DMTPC400.

## / Technical specifications

- Product kind : Earthing equipment/kits
- Operating voltage (V) : HTA
- Short-circuit intensity kA/Is : 12,5
- Composition : Lots de 3 plots de repos isolant pour prise poste HTA 400A
- Measurement : 400x300x100mm
- Weight (kg) : 5
