Short circuit for PA3BT device

/ Standards

- CEI 61230

/ Use

LV short-circuiting set 4 bundles of 16mm², length 6m with 2 complementary connections

/ Areas of activity

-  Electrical distribution
-  Civil security
-  Transport

/ Technical specifications

- Product kind : Cable
- Operating voltage (V) : BT (50 V to 1000 V)
- Short-circuit intensity kA/0.5s : 6
- Short-circuit intensity kA/1s : 4
- Cable material : Copper
- Cross-section (mm²) : 16
- Floor cable lenght (m) : 24,7
