technical sheet

/ Use

LHM1R 30/45E tools allow to make an incision on the peelable semi-conductor of the cable in order to remove it more easily with the hand.

/ Advantages

- Robust design
- Precise control of the incision of the peelable semiconductor

/ Technical specifications

- **Specific tools :** Cable tools
- **Cable tools :** Cable tools
- **For network cables :** medium voltage
- **Packaging :** Carton box
- **Tools king :** Specific tools

Product reference	Remining length of semi conductor (MIN)	For network cables	Packaging	Weight	Weight	Lenght	Width	Height	Max diameter
LHM1R 30/40E	30 mm	medium voltage	Carton box	630 g	-	200 mm	75 mm	140 mm	44 mm
LHM1R 30/45E	30 mm	medium voltage	Carton box	660 g	-	200 mm	75 mm	140 mm	44 mm
LHM2R/30-60	30 mm	high voltage	None	900 g	-	216 mm	112 mm	137 mm	60 mm
LHM3R	-	high voltage	None	-	1,7 kg	275 mm	75 mm	45 mm	80 mm
