

/ GTE25COS

Line earthing clamp

See online technical sheet

/ Standards

- CEI 61230

/ Use

The GTE25COS vise features an aluminum alloy body, a fixed pro-aluminum copper alloy shoe and a corrosion-protected release assembly.

The clamping assembly is equipped with a hand-operated lever and a penetrating tip to ensure secure attachment to pylons.

A stainless steel bolt mounted on the fixed shoe accommodates TFK-type grounding cables with a 12mm terminal diameter.

/ Advantages

- Easy to use on all types of terrain without climbing

/ Areas of activity

-  Electrical distribution
-  Civil security
-  Transport

/ Technical specifications

- Product kind : Vices
- Clamp material : Aluminium
- Clamp tightening (mm) : Plat : 25 maxi
- Operating voltage (V) : HTB
- Short-circuit intensity kA/Is : 40
- Measurement : 170x100x60mm
- Weight (kg) : 1,6
