## / LW10-03

63/90 kV platform pole

## / Use

The 63/90 kV platform pole is used to move a suspension chain on 63 kV and 90 kV overhead lines.

## / Areas of activity

Electrical distribution

Transport

## / Technical specifications

- Pole kind : Fixed
- Operating voltage (V) : HTB (> 50 000 V)
- Pipe kind : Rounded
- Part number : 1
- Pipe diameter (mm) : 39

## / Accessories

|                                                                                  | Reference   | Designation    |
