

### / LW08-03-C3T-50 3-stranded rope

See online  
technical sheet

### / Use

The synthetic fibre rope can be used as a service rope.  
It can also be used with rope blocks for load handling.  
It should not be considered under any circumstances an insulating rope.

### / Technical specifications

- Product type : Rope
- Weight (kg) : 110 g/m
