/ **PRPC400**

Short-circuiting and earthing device for substations with plug-in type bushings

/ **Standards**

- CEI 61230

/ **Use**

Complete short-circuiting and earthing device for 250 Ampere socket DMTPC250 and 400 Ampere socket DMTPC400.

/ Technical specifications

- **Product kind** : Earthing equipment/kits
- **Operating voltage (V)** : HTA
- **Short-circuit intensity kA/Is** : 12,5
- **Composition** : Lots de 3 plots de repos isolant pour prise poste HTA 400A
- **Measurement** : 400x300x100mm
- **Weight (kg)** : 5
