/ DCPC400

Short-circuiting and earthing device for substations with plug-in type bushings

/ Standards

- CEI 61230

/ Use

Complete short-circuiting and earthing device for 250 Ampere socket DMTPC250 and 400 Ampere socket DMTPC400.

/ Technical specifications

- **Product kind** : Earthing equipment/kits
- **Type of trifurcation** : T = Trifurcation with PVC coating
- **Phase cable number** : 3
- **Operating voltage (V)** : HTA
- **Phase(s) cable cross-section (mm²)** : 70
- **Phase(s) cable length (m)** : 0,8
- **Cross-section (mm²)** : 35
- **Floor cable length (m)** : 2
- **Short-circuit intensity kA/Is** : 12,5
- **Composition** : Lot de 3 dispositifs de condamnation pour prise transfo HTA 400A, avec 3 cadenas et un étau NB8 par dispositifs
- **Measurement** : 400x300x100mm
- **Weight (kg)** : 4,5
