

/ DBT

LV Cable stripper 6 sections for overhead network

See online technical sheet

/ Standards

- ENEDIS

/ Use

The DBT enables the user to remove the insulation of secondary distribution cable ranging from 16 mm² up to 150 mm².

Max length for 35mm²: 55 mm

Max length for 54,6mm²: 70 mm

Max length for 150mm²: 70 mm

/ Advantages

- Heavy duty
- Easy to get to grips with

/ Technical specifications

- Specific tools : Cable tools
- Cable tools : Cable tools
- Operating voltage (V) : BT (50 V to 1000 V)
- Packaging : Carton box
- Weight (g) : 230
- Length (mm) : 130
- Width (mm) : 130
- Height (mm) : 40
- Section (mm²) : 16, 25, 35, 54.6, 70, 150
- Max diameter (mm) : 18
- Mini diameter (mm) : 7,5
